**December 3<sup>rd</sup> thru February 28<sup>th</sup>**

#### **Finding True Freedom: The Book of Exodus**

*Imagine being hopelessly oppressed in a foreign land. You desperately cry to God for deliverance, and He sends Moses to confront Pharaoh with the ten plagues. #### **Lord, Teach Us to Pray**

*Jesus said that men ought always to pray and not lose heart. He called us to ask, seek, and knock. He affirmed that God is eager to hear and respond when we do. So ... are we fervent and faithful in prayer? Have we set aside a place, a plan, and a time to talk with God? How can we grow? Let's consider the Bible's teachings and examples of prayer. Then – let's pray!*

Teacher – Cory Collins – Auditorium

#### **Ladies Class: "Walking with Jesus"**

*As we live from day to day, we strive to be more like Christ. The best way to become more like Jesus is to imitate Him. During the process others will see Christ in us as we are patterning our lives after Him. Come join us as we study some of the attributes of Christ such as, compassionate, prayerful, unselfish, humble, patient and many more.*

Teachers – Sylvia Craig & Sharry Lanier – Room #31

#### **Personal Evangelism: Seeking and Saving the Lost**

*We can and must share the gospel effectively with those around us! To do so we need motivation, knowledge, confidence, tools, and experience. This class will equip you in all these areas. There will be Scriptures to study and outreach strategies to use. We will learn to approach others, assess their spiritual interest, and teach them about Christ. You can do it!*

Teacher – Robin Dunaway – Room #33

#### **College Class: "Walking A Mile In Their Shoes"**

*A look and study into the world of religions around us. As Christians, it is important for us to know who we are talking to when we share the gospel. Part of this is understanding someone's religious beliefs and where we can find common ground. This quarter we will be studying many religions to try and increase our capability to share the gospel with everyone around us.*

Teacher – Will Brown – Room #40
